

# NOTINGS ABOUT TOWN.

## TUESDAY.

Mr. and Mrs. J. H. Pat' n left evening for Galveston on a two days' visit.

Dr. Stephenson and wife of Minneapolis, Minn., are visiting in the city, the guests of Mr. and Mrs. J. Carroll, 708 Harrison.

**Big Profit in Hogs.**—One of the best sales of hogs that has come to our attention recently is that made by J. R. Goodwin to the City Meat Co. last Saturday. The sale was for one litter of ten hogs, ten months old, that brought \$110.

**Died.**—R. B. Holliday, nephew of W. A. Cressett, died at the Hayden sanitarium yesterday at 5:30 a. m. He was born in DeSoto county, Miss., but came here from Memphis, Texas. He leaves a son five years old now living with his uncle and aunt, Mr. and Mrs. Oscar Schilling. Deceased was a member of the order of Railway Conductors and Knights and Ladies of Honor, carrying \$3,000 in cash order. Remains were interred last afternoon at 3:30, Rev. Kirkus officiating.

**The Race for a Widow.**—This funniest of funny plays was given last night at the opera house and the popularity of it is evidenced by the crowded house. Hardly standing room was available as is usual when a good play comes along. Those who attended last night's performance pronounced it the best yet and no doubt if the company could have been induced to remain longer, they would have enjoyed just such another "full house." Pete Baker is a comedian that has few equals and no superiors and the entire company is indeed good. All who were present last night felt that they had every cent of their money's worth.

**Albert Taylor.**—Albert Taylor and his select company is next on program at the opera house and are scheduled for next Monday night, Nov. 19. It is learned that Mr. Taylor only has the one company on the road this season which insures the people the very best of the last year "two." Albert Taylor is a favorite wherever he goes and the people here who have such high opinion for this. The company this season is said to be much stronger than ever.

## WEDNESDAY.

**Informal Dance.**—A social dance was given at the residence of Thomas Cooper on Van Buren street last evening and which was well attended by the elite of local society. This is one of the many like gatherings that are being looked forward to during the long winter months and through which strangers in Amarillo will speedily make many acquaintances.

**Big Dance Tomorrow Night.**—Mrs. Ed Hardin will give what is predicted to be one of the swellest dances this winter, at Eakle hall tomorrow evening. The affair will be full dress and an oyster supper will be served. The dance is to be given in honor of Miss Lula Corpenning and Bertha Kate Nunn, two well known society girls. This dance has been looked forward to for some time and a large number of invitations have been issued.

**Selection of Delegates.**—November 12 the Order of Railway Conductors will hold their annual election of officers for the ensuing term. This election is looked forward to with great interest by the ticket collectors for at this meeting a delegate to the international convention at Memphis, Tenn., in 1907 is to be chosen. The contest over the selection promises to be quite a lively one and already there are many candidates in the field. The contest will be hottest between Ed Smith, James Flack and Samuel Higgins, each having a large following of supporters who will use all in their power to seat their man.

## THURSDAY.

**New Uniforms.**—Our city peace officers blossomed out yesterday in brand new uniforms of the metropolitan style. This is one more step of advancement of the city and speaks well for the untiring energy of Mayor Miller to whom credit is due for the change. The uniforms were made by A. Davidson, the popular clothing house and plainly demonstrates the artistic work of their tailoring department.

**Boys Panhandle Farm.**—J. A. South, from Massena, Iowa, is a recent arrival with his family, who

comes to the Panhandle to develop his new farm of a half section six and a half miles southeast of the city. Mr. South will make a valuable addition to the farm interests of this section of Texas, as the introduction of the Iowa farm methods is what the Panhandle is greatly in need of. Such experienced farmers as settlers is what this section of the state badly needs.

**New Restaurant.**—Amarillo is soon to have another new restaurant. At a cost of about \$1,500, H. C. Waller and Effie Smith are equipping a new building they have just completed on the Bowery, with the latest fixtures and appliances known to the restaurant world. Everything is up-to-date and so that customers may see everything that is going on, the proprietors have placed the cooking range at the head of the counter. Steam tables from which all manner of meats and sauces are served is directly opposite the range. This together with many other little comforts should attract the wary and hungry traveler. Both Mr. Waller and Mr. Smith before entering the restaurant business were railway conductors and the pair are well known throughout Texas.

**Albert Taylor.**—The Houston theater record was broken in a very substantial fashion by Albert Taylor and his company, which opened here last night. Albert Taylor has long been a favorite in Houston and the South, but the reception accorded him and his clever company yesterday more than realized the expectations of both actor and management. The bill was "A Bachelor's Romance" made famous by Sol Smith Russell and played for several seasons with great success by Tim Murphy. Mr. Taylor essayed the title role to the entire satisfaction of the audience. The piece met with a warm reception from a large crowd. Mr. Taylor is ably supported by a strong cast.—Houston Chronicle, Oct. 5, 1906. Mr. Taylor will present this ever popular play "A Bachelor's Romance" the first night of his engagement here beginning next Monday night, Nov. 19. Prices will be 25c, 50c and 75c.

## New Mexico Baptists.

Portales, N. M., Nov. 15.—Nearly every Baptist church in New Mexico has sent delegates to the territorial convention, which is being held here. Reports from all over the territory show that this has been the best year in the history of the denomination. All churches reporting increased membership and contributions. Many prominent Baptist clergymen will deliver addresses during the meeting.

## Hardware Jobbers Meet.

Kingson, N. Y., Nov. 15.—The New York State Hardware Jobbers' association opened its annual meeting and show here today. Retailers from all over the state are inspecting the exhibits as the guests of the association.

## Circus Closes Season.

Sellaville, Ohio, Nov. 15.—The special trains of the Sells-Foranpaugh circus arrived here today and the circus will immediately go into winter quarters.

# Do Not Burn Off Old Paint

You will have to do so if you use hard, inelastic paint; but there is a better way.

Use old-fashioned white lead and linseed oil paint. It wears down uniformly, without that scaling off which disfigures so many modern houses, and is ready for re-painting without burning or scraping.

## Collier Pure White Lead

(Made by the Old Dutch Process)

is just such an old-fashioned paint.

Our booklet will tell you about it, and give you other paint information valuable to the house-owner.

# WHITE SWAN MINCE MEAT

That is really richer in flavor and far superior to the home-made kind. You may depend upon it being made from pure ingredients, in fact everything packed under the White Swan Brand is guaranteed absolutely pure and free from all adulteration. It is really absurd to go to all the worry and trouble of making your own Mince Meat, now that you can buy the White Swan kind at your grocer's. Or if he does not keep White Swan, send us his name.

# A DAMAGING WIND STORM

State of Oregon Visited By Worst Rain and Wind Storm in Its History.

## HAVOC TO SHIPPING.

Train Service in Some Sections Completely Demoralized and in Others Badly Crippled—Whole State Is Affected.

Portland, Ore., Nov. 15.—Never since the white man came to the state of Washington has there been such a storm as was last night and early this morning.

The storm of wind and rain for the past week has wrought havoc with the coast shipping and yesterday swept inland venting its fury upon the whole state, especially Puget sound. It has swept the country and reached the northern part of Oregon and the Panhandle of Idaho. The railroads out of Tacoma and Seattle are demoralized, train service to Portland only from the latter city being maintained. Rivers, creeks and brooks in the Cascades are pouring torrents.

On Puget sound the towns of Snohomish, Sumner and Auburn are under water. In central Washington the floods are raging in Natchez and Yakim valleys. Clear Water river is out of banks and has done immense damage. Although nothing has been heard from Walla Walla it is believed that there are floods east and west of there and the rivers in that part of the state are on a rampage. At Portland a heavy wind is blowing accompanied by a torrential rain. No damage here other than the electric lights and street cars have been put out of commission.

## Worst Floods Known.

Portland, Ore., Nov. 15.—Practically the last dispatch received from Seattle before all communication with the north was lost was a long special to the Morning Oregonian, telling of the flood conditions prevailing in that section of Washington.

The dispatch which was filed last night says in part: "Floods of the White and Green rivers which began last night have swept away many miles of railroad, all the valley towns, rendering hundreds of farmers homeless and costing three lives to date. It will be two weeks before the Northern Pacific will be able to resume regular train operations. The Great Northern is tied up for a shorter period. Auburn, Kent, Obrien, Benton, Orillo and half a dozen smaller towns in the valley

of three rivers are under water. The residents of Obrien at noon were compelled to abandon their homes and flee to the hills. The flood is the most serious known, exceeding the disastrous flood of 1903 that destroyed a \$100,000 worth of property. Two steel bridges of the Northern Pacific are swept away besides miles of track.

## THE LOAN ASSOCIATION.

To Be Known as the State Building and Loan Association.

Messrs. Williams and Faulker are quite busy with their work of organizing the State Building & Loan association and we are informed that the articles of incorporation are complete and will be filed immediately with the secretary of state and also with the county clerk here. These gentlemen come to Amarillo well recommended as the following letter and resolutions show:

**Resolutions.**  
Beatrice, Neb., Jan. 11, 1904—W. E. Williams, Beatrice.—Mr. Dear Sir: I am instructed by the board of directors of this association to send you the enclosed resolution unanimously adopted at their session of Jan. 5, at which time your resignation was presented. Allow me to say on my own behalf that I shrink from assuming the responsibilities involved in the office of secretary with out your advice and help, for it was your possession of certain qualifications that first induced me to associate myself with you. Had I known that I should have to assume these alone, I might not have accepted your proposition to come to Beatrice. I am, however, "up against it" and shall do the best I can and shall hope to merit the confidence and good will of the officers and those of your friends who are members of this association. Yours sincerely,  
O. J. WILCOX, Secretary.

Whereas, Mr. W. E. Williams has tendered to the board of directors his resignation as secretary of the State Savings and Loan association, because of his yearly removal from Beatrice; therefore, be it

Resolved, That it is with deep regret that we are obliged to accept Mr. Williams' resignation, appreciating as we do, the value of his untiring labors in the interest of the association, which have produced its present prosperous condition within the short period of four years. And be it further

Resolved, That we extend to Mr. Williams our best wishes for his continued success in his new field of endeavor, and bespeak for him from his new associates that kind consideration and high esteem which he merits.

## Considerable Money Stolen.

Warsaw, Russia, Nov. 15.—A band of terrorists attacked the Vistula railroad depot at Suchedniow this morning and killed a gendarme, blow up the safe and escaped with considerable money, marching off in military order. The Cossacks are pursuing.

## Seize Rifles.

Helsingfors, Finland, Nov. 15.—The police of Bjorneborg seized fifty of a total consignment of 295 boxes of military rifles, each containing twenty guns and destined for the revolutionists. It is feared other boxes have reached their destination.

## Open Big Sugar Mill.

Garden City, Kan., Nov. 15.—Excursions from all over the state have brought hundreds of people here today to take part in the celebration incident to the opening of the new Garden City sugar beet mill, one of the largest in the west. Many distinguished Kansans are present and a program of addresses and music will be carried out. The factory is now in full operation.

## London Motor Show.

London, Nov. 15.—The London Olympia motor show, which opened today is by all odds the most complete exhibition of automobiles ever shown in England. The show will last until November 24 and will be visited by motor car enthusiasts from many continental countries.

## Quincy, Sprains and Swellings Cured.

"In November, 1901, I caught cold and had the quincy. My throat was swollen so I could hardly breathe. I applied Chamberlain's Pain Balm and it gave me relief in a short time. In two days I was all right," says Mrs. L. Cousins, Ottumwa, Mich. Chamberlain's Pain Balm is a liniment and is especially valuable for sprains and swellings. For sale by Golden Drug Co. F-C-2
